About Us

We focus on providing delicious, healthy, fresh food from breakfast to lunch. We pride ourselves in offering a variety of premium options. We offer everything between from casual deli sandwiches to daily gourmet hot foods from vegetarian, vegan and gluten-free selections.

We believe quality ingredients are the most important aspect of providing good food. We use hand slice Boar's Head meats which is free of fillers, additives, and gluten. We take the extra step to locally source out ingredients because we think it makes a difference in your experience. Our breads are locally baked, and we grind our imported coffee beans. We make breakfast to order, cracking eggs by hand, and we prepare salads, fresh everyday. We also prepare and bake our popular cookies and some desserts everyday.
